Mr. Zilbert:

We sent the information request for Taiwan Navigation Co. to the registered agent General Steamship Corporation Ltd., who said that they did not have any contact information or other information regarding the company. Since we were not able to deliver the 104(e), we have not got a response to the request. If you are the agent for the company, can we send you the request? If not, could you provide us with the name and address of the company representative to send the 104(e) to?

SDMS Document ID 1254190 Nomination Summary already being provided by FOIA

SDMS Document ID 1187465, and 118746 can be provided to you under your current FOIA request.

Subject
Portland Harbor 104(e) Recipients
List - Taiwan Navigation Co.

13 July 2009

Dear Kristine,

We spoke a couple of days ago about my recent FOIA request. You referred me to EPA's website for a listing of 104(e) information request recipients. I found to my surprise that Taiwan Navigation Co. is listed as a recipient. I had understood that American Seafoods Co. was the only vessel owner/operator that had received a 104(e) request.

I represent Taiwan Navigation Co. I do not believe Taiwan Navigation Co. received or responded to a 104(e) request, but it is listed, and there are even three documents associated with it on the list (SDMS Document ID 1254190, 1187465, and 1187462).

Am I reading the information incorrectly? Please advise whether a 104 (e) request was indeed sent to Taiwan Navigation Co. If not, please advise whether (a) the list is inaccurate or (b) I am just reading it incorrectly.

Thank you.

Best regards,

Todd Zilbert
